Painting the Mural

My school mates and I had an art class. Our art teacher told us to paint ^a the mural. We were all shocked and said, "Are you sure?" She told us, "YES!"

so we started painting different parts

of the wall with her big cans of

paint, ~~that had~~ ^{had a different} each one colour of the ~~rainbow~~

rainbow and ^{she gave us} ~~her~~ thick and thin paint

brushes. We were all confused that she

told us to paint the wall. But ^{when} ~~then~~ we

were done, ~~and~~ it looked like ~~an~~

^E ELAPHANT! We froze in shock - it looked

AMAZING!
